

Richfield Parks Bench & Table Donation

The City of Richfield offers benches and tables for purchase as donations to Richfield's parks. Benches are \$1,500 and picnic tables are \$3,000 (includes custom-worded bronze plaque). These prices are the City's actual cost for labor and materials. Donating a bench or table is a personal and generous way to honor a loved one and contribute a lasting gift to the community.

The 6' benches and 8' tables are Douglas Fir, coated with all-weather sealant and attached to metal frames and mounted in a concrete base. The 3" x 6" cast-bronze plaques are flush-mounted into the bench or table. For more information, please call John Evans at 612-861-9395.
